

MEET @ PEET'S

NCCF holds monthly group peer support meetings aptly named “Meet @ Peet’s”. These meetings offer support, social, educational, and community opportunities in a group setting. Perhaps most importantly, they afford cancer survivors the opportunity to laugh loudly, relax completely, and ‘let it all go’ in the company of others who have been there. Usually held at Peet’s in Bressi Ranch, Carlsbad but often times in the home of an NCCF member.

Check NCCF web site, Facebook and e-mail for updated schedule and location.
